I believe that good design is all about reinforcing a positive experience for the intended audience, which can be achieved through a fine balance of fluidity and precision to make a subtle, but significant statement.

At least I think so.

education

Mar-Apr 2017

Academy Xi
Sydney, Australia
UX Design

2014-2016

Billy Blue College of Design
Sydney, Australia
Bachelor of Comm Design

Kuala Lumpur, Malaysia

Designed promotional posters, event booklets and sponsorship booklet.

skills

Typography

This is my main strength which I use heavily in my design approach. I have a good eye for detail when it comes to layout designs.

Multilingualism

Native in Mandarin Chinese and Cantonese. Proficient in English and Malay. Elementarily proficient in Japanese.

Forward roll

A hidden talent of mine which I will be glad to perform under request on a carpeted floor. Please don't try this at home.
